**CITY OF PEWAUKEE
COMMON COUNCIL AGENDA ITEM 3.**

DATE: November 13, 2023

DEPARTMENT: PW - Engineering

PROVIDED BY: Magdelene Wagner

SUBJECT:

PUBLIC HEARING, Discussion and Possible Action Regarding the Meadowbrook Farms Phase 4 Road Rehabilitation Project [Wagner]

BACKGROUND:

The City authorized the road rehabilitation project for Meadowbrook Farms Phase 4 as part of the 2024 budget. Meadowbrook Farms Phase 4 is Fieldhack Drive from Milkweed Lane to Meadowbrook Road (CTH G).

These roads are in poor condition and require rehabilitation. The project was bid to remove the existing asphalt pavement, complete any stone base repairs, repair damaged curbs, and place new asphaltic concrete pavement. Fieldhack Drive has many properties which access this roadway by private roadways. Per the City assessment policy, Fieldhack Drive is considered the access to these private properties from the private roadway. This is consistent with several others assessment projects. The road assessment is \$2,356.17 which does not exceed the paving cap of \$3,290.00. However, we do have one property which is zoned lowland conservancy which has a paving cap of \$1,041.

In addition, we will be completing minor repairs to inlets, valve boxes, and manholes within the project area. There are also several areas of storm sewer lining that will save the integrity of the existing storm sewer that has minor cracking and deterioration.

FINANCIAL IMPACT:

The 2024 budget allocated \$1,016,000 from the City Road Fund, \$953,000 from the Storm Water Utility for the road project, \$100,000 from the Water Utility, and \$80,000 from the Sewer Utility.

The total project cost including engineering, administration, and contingencies is \$2,142,392.58. The allocation to each budget component is \$1,015,369.25 for the City Road Fund, \$952,364.43 for the Storm Water Utility, \$99,495.50 for the Water Utility, and \$75,163.40 for the Sewer Utility.

RECOMMENDED MOTION:

Common Council award the Meadowbrook Farms Phase 4 Road Rehabilitation Contract to the lowest qualified bidder, Payne & Dolan, Inc. in the amount of \$1,647,994.29 and accept the preliminary engineers report, and special assessments.

RE: Meadowbrook Farms - Phase Four
RD-23-57557

Dear Ms. Wagner:

Bids for the above project were opened on Thursday, October 19, 2023, at 10:00 a.m. at N240 W3065 Pewaukee Road, Pewaukee, WI 53072 and were as follows:

	BIDDER	BASE BID	Mandatory Alt. A	Mandatory Alt. B	Mandatory Alt. C
1.	Payne & Dolan Inc.	\$1,330,141.29	\$291,853.00	\$377,582.50	\$26,000.00
2.	All-Ways Contractors, Inc.	\$1,365,326.00	\$335,510.05	\$428,332.50	\$36,250.00
3.	Wolf Paving Co., Inc.	\$1,330,440.75	\$446,467.00	\$380,577.25	\$26,000.00
4.	Musson Bros., Inc.	\$1,514,156.02	\$421,690.00	\$349,750.00	\$27,500.00

We reviewed the documentation submitted by the apparent low bidder and found that:

1. The Bid Form has been appropriately completed.
2. We have no objections to the low bidder, nor to the proposed major subcontractors and suppliers.
3. Low bidder has successfully completed similar projects.

On these bases, we recommend that Payne & Dolan, Inc. be awarded the Meadowbrook Farms-Phase Four contract, in the amount of \$1,647,994.29. This amount is based on the bid unit prices and estimated quantities. Actual quantities, and therefore the final contract price, may vary. On all construction projects, unpredictable factors may increase the final contract amount. For this reason, we recommend that the City of Pewaukee include a 10 percent contingency when preparing the financial plan for this work.

Our review did not include an evaluation of bidder's current financial condition nor of their permanent safety program.

Should you decide to accept our recommendation, we have prepared the enclosed Notice of Award for your use. After City approval has been received, please have the appropriate official sign where indicated and forward a signed copy of the Notice of Award to our office. We will then fill in the date at the top of page one and forward it, with contracts for execution, to the Contractor. One fully completed Notice of Award will be returned to you for your records.

Bids remain subject to acceptance until December 18, 2023, unless Bidder agrees to an extension. Please advise us of your award decision, or call if there are any questions.

Letter to Ms. Magdelene J. Wagner, P.E.

Preliminary Report of the Engineer
On the Proposed Meadowbrook Farms Phase 4
Pavement Rehabilitation Assessments
In the City of Pewaukee

In accordance with the resolution passed by the City Council of the City of Pewaukee, we herewith submit our report on assessments for the rehabilitation of Fieldhack Drive, sanitary improvements along Fieldhack Drive, drainage improvements along Fieldhack Drive, and water main improvements along Fieldhack Drive to be made in the City of Pewaukee. All data shown here is based on bid prices.

The report consists of the following Schedules:

Schedule "A": Summary of options for assessments and related costs.

Schedule "B": Legal description and map, dated October 2023, of all parcels within the assessment district.

Schedule "C": Estimated assessment for each parcel affected.

The properties against which the assessments are proposed are benefited and the improvements constitute an exercise of Police Powers.

Schedule “A” – Meadowbrook Farms Phase 4

The City of Pewaukee is considering the pavement rehabilitation of Fieldhack Drive. The improvements include road rehabilitation, curb repair, inlet and drainage repair, sanitary manhole repair, water valve repair, and related facilities.

The cost of road improvements and 50% of the curb repairs will be apportioned to all property owners abutting the street with direct or indirect access. The City of Pewaukee caps the road assessments for single-family, duplex residential, and condominium residential properties. All other properties shall pay the full road assessment.

Inlet repairs, 50% of the curb repairs, and drainage improvements will be paid for by the Storm Water Management Utility.

Sanitary sewer repairs will be paid by the Sewer Utility.

Water main repairs will be paid by the Water Utility.

It is recommended the costs for the improvements in Fieldhack Drive be determined on a unit basis.
